ABOUT SISTEMA TORONTO

Sistema Toronto is an intensive after-school music and social development program for young people in underserved communities, offered at no cost to families. We build stronger communities by transforming the lives of children and youth, enabling them to grow and thrive as engaged citizens and future leaders. We work in four neighbourhoods across Toronto: Parkdale, Jane-Finch, Lambton Park, and East Scarborough, where up to **59% of children live below the poverty line**. Children and youth who would otherwise not have access to music lessons learn together for 10 hours each week where they beat on drums, play together in orchestras, and sing in choirs, while developing important life skills

Sistema Toronto is a registered charity that relies entirely on donor support. Without the generosity of the individuals, corporations, and foundations that support this program, none of our work would be possible.

400+ Students in
4 Priority neighbourhoods
Receive **10** hours per week of instruction
Every week for **37** weeks.
No auditions. No barriers. No cost.

ABOUT THE EVENT

Support the local arts & hospitality sector.
Boost your brand visibility.
Change a child's life.

Sistema Toronto invites you to make meaningful change in the lives of young people by sponsoring the 2024 Sistema Spirit Gala, being held at Hotel Ocho on May 8, 2024. The Sistema Spirit Gala is an exclusive evening bringing together like minded philanthropists from across Toronto in celebration and support of music education for children and the power of music. With locally celebrated hosts and hosted by drag performers Fay & Fluffy, this signature annual gala is a night where supporters come together to enjoy good food, beverages, live music, and an auction to raise funds for music education and social action.

As a Sistema Spirit Gala Sponsor, you are helping to bring the Sistema Spirit Gala to life while supporting the development of future generations and Canadian music.

By becoming a sponsor, you will also build brand loyalty, engage new patrons, and demonstrate your company's commitment to strengthening underserved communities across Toronto.

As a Sistema Spirit Gala Sponsor, you will be a part of the movement that is giving over 400 children and youth in underserved communities access to free social and music education. Our sponsors support Sistema Toronto because they want to join our mission to enact social action through music education and make a positive, long-lasting impact on families.
